

SMOKE & SOUND STOP BLUE (SSSB)

Product Description

CEMCO SMOKE & SOUND STOP BLUE (SSSB) is a compressible foam providing smoke and sound abatement for both dynamic and static joints. It is for use at interior building joints in non-fire-rated partitions requiring a STC rating.

- Can be used in head of wall, bottom of wall and wall to wall joints.
- Tested for air leakage to comply with IBC, Section 715.8.
- Manufactured in light blue color that is easily identified.
- Provides up to 1/2" of compression and extension.
- Remains flexible.
- Unaffected by water/moisture/temperature.
- Odorless, installs fully cured and will not stain surrounding substrate.
- Easily installs by compressing it into the gap between the board and surrounding structure after the board is attached to the framing.
- Sound tested in accordance to ASTM E90, STC performance equivalent to acoustic sealant.
- Not for use in applications with permanent exposure to direct sunlight.
